IVY Public Welfare Activity

公益支教，传播爱的力量

在刚刚结束的寒假里，IVY3名充满爱心的小伙伴Angel Li、Betty Zhou和Sherlock Jiang前往海南省琼海市长坡镇，进行了为期一周的支教活动，在远离城市、物资匮乏、环境陌生的地方，IVY三名学生经受住重重考验，为村里的孩子义务上课，与他们一起玩耍、互动，度过了充实而收获颇丰的一周。

During the recent winter vacation, Angel, Betty, and Sherlock, three IVY students, went to Mayor Po Town in Qionghai, Hainan Province for a week of teaching activities. They were located far away from the city, where materials are scarce and the environment is unfamiliar, the three students withstood many tests, taught compulsory classes for the children in the village, played and interacted with them, and had a fruitful time. A good week. IVY advocates that students participate in social public welfare activities, integrate themselves into social practice, give back to society and improve their comprehensive ability.

IVY Debate Competition

校园里的“奇葩说”，最佳辩手新鲜出炉

Recently, IVY campus ushered in a particularly exciting English debate contest. To greet the game and show the best performance on the field, IVY students made great efforts to prepare for the game. In the competition room, the pros and cons fought fiercely using their views as weapons. They made brilliant speeches one by one to keep the sparks of their thoughts blooming. Through this debate contest, students have improved their English expression ability, logical thinking ability, problem analysis ability, and cooperation ability, and enhanced their self-confidence and courage.

New Offers From Our Students

毕业生陆续收到新的大学录取通知书

人工智能是目前最热门的专业之一，也是未来需求量较大的高科技专业。3月15日，我校Jack Zhou同学喜获世界名校爱丁堡大学人工智能专业的录取通知书，本学期初他还拿到了伦敦国王学院、拉夫堡大学两所名校人工智能专业的录取通知书。另一位同学George Cong也如愿拿到了四所英国名校的人工智能专业录取通知书，包括诺丁汉大学、苏塞克斯大学、赫瑞-瓦特大学、伦敦大学皇家豪威学院。爱丁堡大学是英国最早开设人工智能专业的学校，也是当今世界上最好的人工智能中心之一，该校人工智能专业竞争非常激烈。伦敦国王学院、拉夫堡大学等英国名校也具有非常深厚的人工智能研究基础。

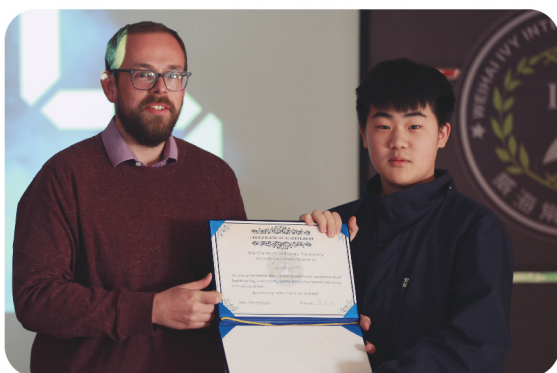

未来是什么样子的，大概一百个人眼中有一百种模样，但无疑是更向前发展的。IVY培养面向全球、面向未来的精英学子，在他们身上，有创新、开拓与蓬勃向上，也具备更开阔的国际视野和实践精神。

Last week, Jack was awarded Offer of Artificial Intelligence at Edinburgh University, a world famous university. At the beginning of this semester, he also received Offer of Artificial Intelligence at King's University of London and Loughborough University. Also, another IVY student, George, has been offered AI majors in four famous British universities, including Nottingham University, Sussex University, Herry-Watt University and Royal Holloway College of London University. Artificial intelligence is one of the most popular majors at present, and it is also a high-tech major with considerable demand in the future. I hope IVY students can hone themselves on a new and higher platform in the future, apply what they have learned and realize their value. I also hope that every IVY students can realize their dreams and achieve broader development.

IVY Spelling Bee Competition

年度拼词大赛

Spelling Bee英文拼字大赛是世界上历史最悠久、影响力最大、参与人数最多的国际英语赛事，目的是全面评价学生的英语拼写、听力、词汇等能力，并通过比赛帮助他们提高英语水平。3月26日这场“国际范”的英文比赛在IVY校园火热上演，我校共有四十余名学生踊跃地参与到这场激动人心的比赛中，在赛场上大显身手。经过紧张激烈的角逐，最终来自MS9年级的Jackson Yim同学成为本次比赛的最大赢家，拿下了化学组、生物组、物理组三个冠军，IG年级的John Choi同学拿到了商务组和数学组的冠军，MS7年级Roy Lee同学是英语组冠军，MS8年级Anita Miao同学则是科学组的冠军，恭喜他们！这场有趣的比赛让学生们收获颇丰，他们在赛前精心准备、赛后查漏补缺，不仅提升了英文能力，也检验了自己英语学习的薄弱部分，对自己的词汇量有了更加清醒的认识。

Spelling Bee is a world-recognized international English competition with the longest history, the most influence and the largest number of participants. The aim is to comprehensively evaluate students English spelling, listening, vocabulary, etc. and help them improve their English level through competitions. Recently, the "International Model" English Competition was held on IVY

campus. More than forty students from our school took part in the exciting competition and showed their talents in the field. After intense competition, Jackson, John Choi, Anita and Roy finally became the winners of the competition. This interesting competition not only improves the students' comprehensive ability of English but also stimulates their interest in learning and improves their self-confidence.

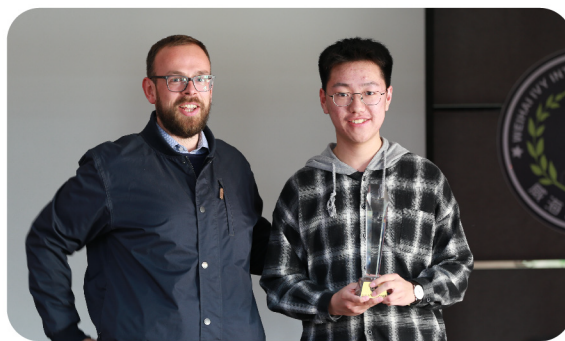

IVY DAY

校园主题活动日

4月4日全校师生举行了以“Intelligence智慧、Virtue美德、Youth青春、Innovation创新、Ambition志向、Networking合作”为主题的IVY DAY活动。全体师生以小组为单位进行六大主题活动：Brainstorm头脑风暴、Cleaning school校园清洁、Shuttle run往返跑、IQ倒计时游戏、团队演讲。一天的活动下来，大家更深刻地体会到“Intelligence、Virtue、Youth、Innovation、Ambition、Networking”蕴含的深意和要求，体会到学校对大家的殷切期望，也更加明确了未来努力的方向。
